## News of the New SAA Women's Intergroup

We are pleased to introduce the newly formed SAA Women's Intergroup! The group has been meeting monthly to begin the organizing process, and we are open to having new members - both male and female - who are interested in helping support women in recovery.

It is our hope to reach as many people in the program as we can with this new information, and we appreciate your help disseminating it to your respective audience. If you would like to discuss this information, or for any questions, please [click to email us](#).
